IN MEMORIAM

Larry Gordon
1954-1983

Larry Gordon played the game of life as well as he played the game of football, and his loss was even more the loss of a friend and a member of the Dolphin family than it was the loss of one of the most gifted football players ever to play for the Miami Dolphins.

Larry died June 25th in Phoenix, Arizona; he suffered a heart attack caused by a rare heart disease while jogging to keep in shape for the coming season.

His memory will remain in the heart of every Dolphin and Dolphin fan forever. We dedicate this book to that memory.

JOSEPH ROBBIE

President and Managing General Partner

If, in the vernacular of the younger generation, you want to know where Joseph Robbie is "coming from," you can get an insight from his comments following Super Bowl XVII.

On the airplane returning to Miami after the loss to the Washington Redskins, Robbie took the intercom and told the players and coaches, ". . . the last time we lost the Super Bowl, we won the next two. I don't see any reason why that feat cannot be repeated."

On the Wednesday following the Super Bowl, Robbie responded to a comment made by the chairman of the Greater Miami Chamber of Commerce at a special meeting of the chamber in honor of the Dolphins at the Omni Hotel. Chairman William S. Ruben said of the Dolphins, "They do more than win football games for this town. They bring us together."

Robbie responded that if the Dolphins united the community, then this was, ". . . the Super Bowl of the human spirit. I don't want the Miami Dolphins to be No. 1 all by themselves. I want Miami to be No. 1 with them."

There are other comments from Robbie that thread their way from his first days in Miami with the new franchise. Amid constant media "reports" in those early years that Robbie was moving the Dolphins out of Miami, Robbie repeatedly said he not only was not moving the franchise, but that he fully intended that the Dolphins would be champions.

History has proven Robbie right.

The Dolphins are not only one of the most honored teams in all of football: their impact nationally has made them one of the most desirable for the major TV networks to feature on their telecasts. Some NFL franchises rarely appear on the national Monday night game; the Dolphins have had multiple appearances every year for the past decade. The resulting national publicity for all of South Florida is of incalculable value.

While the Miami Dolphins are now firmly established as part of South Florida's history and tradition, it is sometimes overlooked that it simply would not have happened at all except for the initiative, effort, perseverance and vision of one man—Joseph Robbie.

On August 16, 1965, Joseph Robbie was formally awarded the franchise by the American Football League; it was both an ending and a beginning. It was an ending of a year-long effort that had begun when a client of Robbie had asked him to check out the possibility of obtaining a franchise in the AFL in Philadelphia. Robbie had reported that that stadium was in litigation but that Miami was a possibility.

His client was not interested in Miami. Miami had already encountered the failure of a pro football franchise after World War II. The Orange Bowl Committee and the University of Miami seemed to have sole possession of the community's backing. Most critics questioned whether Miami, with the ebb and flow of a large tourist population, would ever support a franchise.

Still, Robbie persisted. It took months of preparation; he convinced his old friend Danny Thomas to become his partner. Robbie gained the support of then Miami Mayor Robert King High. It was the ending of the quest for the franchise and the beginning of the challenge to make it successful.

Robbie was 50 years old at the time; while he was unknown in

the South Florida area, he had already established himself as a multi-dimensional man of substantive accomplishment. He had:

- Run for governor in his home state of South Dakota and been Chairman of the State Democratic Party. He had also served as a state representative in the South Dakota legislature.

- Been an outstanding trial lawyer in Minneapolis-St. Paul and devoted a substantial part of his practice in defending those unable to pay.

- Been a charter member of the Twin Cities Metropolitan Planning Commission and drafted a law passed by the Minnesota Legislature in 1959 that created the Minnesota Municipal Commission over which he presided as chairman for six years until he obtained the Miami Dolphins franchise. That legislation still serves as a model throughout the country.

- Served in World War II as a naval officer after volunteering for service the day following the Japanese attack on Pearl Harbor. He rose through the ranks and participated in five South Pacific theatre invasions and received the Bronze Star for his efforts. He served until late 1945.

- Been student body president at both his first college, Northern State Teachers College at Aberdeen, S.D. and his second, the University of South Dakota at Vermillion, S.D. as well as a national debate champion at the latter. He received his AB and Juris Doctor degree in law from the University of South Dakota. He earlier served as student body president and editor of the student newspaper at Sisseton High School.

In short, Robbie had completed a substantial career before arriving in Florida at age 50 with his wife, Elizabeth, and 11 children in 1966. Yet, it was at that moment that he was about to embark on some of the most challenging years of his life.

He did not have great wealth but as the managing general partner of the Dolphins he had full responsibility in directing the franchise and he was the only person in the operation legally responsible for the team's debts. When the team averaged just over 25,500 their first year, Robbie was too smart not to be concerned, but too brave to show it. In fact, he pointed with pride when attendance each of the next three years increased finally to 32,335. It had been a steady rise but not enough to firmly assure the future of the franchise.

In 1970, he made a bold executive move when he signed a winning NFL coach, Don Shula to coach the Dolphins. The first year under Shula, the Dolphins had a 10-4 record and made the playoffs. They were on their way to becoming one of the truly magnificent flagship franchises in the NFL.

While the battles on the football field naturally captured the fire and imagination of the public, the battles inside the executive suite were played out by Robbie with all the adroitness of Menuhin playing the violin. As the managing general partner, he used the collateral of the franchise itself to fend off a variety of attempts by others to either gain control or to actually move the franchise from Miami.

Robbie himself has said of those years, "If we hadn't been persistent and hadn't been patient; if we hadn't looked down the tunnel and hadn't seen the light, this franchise might have moved. I didn't intend to move and I didn't appreciate constantly having to deny that we weren't here to stay."

Phil Butler, the Chicago banker who made key loans to Robbie during the early struggling years said, "The confounding thing about Joe is that he 'sees' the light at the end of the tunnel when nobody else does, and that's all the assurance he needs."

That assurance was born and bred into Joseph Robbie since his birth July 7, 1916 in Sisseton, S.D. He grew up in a family that was rich in health, intelligence, vitality and the old verities; the Robbins had everything but money. They were survivors who had taken all that the depression and the dust bowl had to deliver, and they remained unintimidated and supremely self-confident. Life was for living; problems were for solving and challenges for great deeds were the spice of it all. After having spent his growing-up years taking and overcoming all that a sometimes

bitter nature could deliver in the plains of Dakota, mere man-made things or grand institutions never overwhelmed Robbie; he had been tempered in the crucible of hard times and would cherish it as a gift.

Not only did Robbie's Dolphins, since the merger with the NFL in 1970, go to four Super Bowls and win two, they won more than 70 per cent of their games including a perfect 17-0 season in 1972. During all of these years, the charitable and philanthropic largess from Robbie has exceeded \$2-million, one of the more intentionally unpublicized activities of his life.

There are scores of letters in Robbie's file from appreciative recipients, but perhaps the sense and tone of them all was captured by a young Sioux Indian who wrote that on the day he had been told he had won a Robbie college scholarship, he had taken a long walk alone on his reservation and wondered, "How does Joe Robbie even know I am here?" He expressed his gratitude and confided that he wasn't quite certain what it was that the Dolphins "did" but he wished them well.

Robbie has contributed not only his money, but his time and talent. Awards, honors and positions stand in eloquent testimony to a side of Robbie that is little known. To name but a few, he has served on the board of governors as Executive Vice Chairman of the St. Jude Children's Research Hospital, the Board of Governors of the Annual Victor Awards for the benefit of the City of Hope National Medical Center; the Board of Directors of United Services Organization, United Way of Dade County; Heart Association of Greater Miami; the Variety Children's Hospital; and Operation Self-Help, Inc. He was Chairman of Catholic Charities for the Archdiocese of Miami for three years.

Within recent years, Robbie has received many honors and awards. He was elected to the South Dakota Sportswriters Hall of Fame and University of South Dakota Hall of Fame; given the C.H.I.E.F. Award by Independent Colleges and Universities of Florida, the Humanitarian Award by Big Brothers/Big Sisters of Greater Miami, the Good Samaritan Award by Variety Children's Hospital and the Horatio Alger award.

When Robbie received the Horatio Alger Award, given to giants of the free enterprise system in recognition of outstanding careers developed through ". . . personal effort out of hardship," Robbie told the audience of more than 2,000 at the awards ceremony:

"If I were asked to name the award that I would cherish most of any I know about, it would be this one. This to me represents struggle and achievement, and through my life, it has always been my opinion that the struggle itself is equally important and rewarding to the ultimate achievement."

There are other awards from the past, the Timmie Award from the Touchdown Club of Washington in 1974 for the "extraordinary achievement" by the Dolphins over a four-year period (54-11-1); he was named Pro Football Executive of the Year by the Long Island Athletic Club in 1972 and Football Man of the Year in 1971 by both the Football News and the Minutemen Club of the Twin Cities, but Robbie does not dwell on the past.

He has been conferred four honorary doctor's degree by the University of South Dakota, Mount Mary College, St. Leo College and Biscayne College. He was recently appointed a Knight of Malta.

In May of 1983, reflecting his stature among other NFL owners, he was voted a member of the Executive Committee of the NFL Management Council. The council is the key policy-making body of the league. He was re-elected Chairman of the Board of Trustees of Pop Warner's Little Scholars in Philadelphia May 18, 1983.

In addition, for more than a decade Robbie has called for a new stadium to be the new home of the Miami Dolphins. Public efforts to finance and build a new stadium have failed thus far, but Robbie has launched a move to determine if such a stadium can be built with funding from private enterprise. It is an enormous challenge; it is the kind of challenge worthy of the man.

**DONALD F.
SHULA**
**Head Coach/
Vice-President**

Don Shula is the first coach in the history of the National Football League whose teams have won more than 200 regular season games during his first 20 years in the league.

With a winning percentage of .721, Shula coached teams have won 201 games, lost 76 and tied 6—a record not realistically in danger of being bettered for years to come.

Not only was Shula voted the Outstanding Coach of the Decade for the 1970's by the Pro Football Hall of Fame's 25 member selection committee, but he has consistently created teams that are a genuine extension of himself.

Shula's record in 20 years as a head coach in the National Football League needs no hyperbole; the record itself is its own eloquent testimony to the man.

Born 53 years ago in Grand River, Ohio, Shula played at John Carroll University in Cleveland before becoming a defensive specialist as a professional. After seven years as a player with the Cleveland Browns, Baltimore Colts and the Washington Redskins, Shula became an assistant coach in 1958 at Virginia, moved to assistant coach at Kentucky in 1959 and the following year entered the NFL as an assistant coach at Detroit.

Three years later, Shula became head coach of the Baltimore Colts at 33 years of age, and in seven years had compiled a 71-23-4 record, including 13-1 in 1968 when the Colts had the best record in the NFL and played in Super Bowl III.

His record in Miami again speaks for itself; while Shula-coached teams may or may not have super stars, the TEAM itself is often a Super Star in the NFL. In 1970 Shula took a team that had been 3-10-1 in 1969 and turned it around to 10-4 in his first year as Dolphins' coach. His teams at Miami have compiled a 130-53-2 record, including the only unbeaten and untied season (17-0) in NFL history in 1972, and back-to-back Super Bowl Champion teams in 1972 and 1973.

His 1982 team, with only Bob Kuechenberg and Vern Den Herder from the Super Bowl winners of 1972-1973, was a complete rebuilding job. There were no heralded super stars, but the team was—earning its way to Super Bowl XVII with a 7-2 record in the shortened season, and three consecutive playoff victories over the New England Patriots, the San Diego Chargers and New York Jets.

While the Dolphins did not prevail in Super Bowl XVII, they are reigning AFC Champions and the thought that the last time they went to a Super Bowl and lost, they came back the next two seasons to win two consecutive Super Bowls is a dominating theme for the 1983 Dolphins.

With teams in Baltimore and Miami, Shula has built five unbeaten streaks of 10 or more games; no other coach has more than two unbeaten streaks of ten. During his Dolphins' tenure, Shula-coached teams have won or shared first place in the AFC-

East division ten times in 13 years. Their winning record in the Orange Bowl, including playoff games is 92-18-1, including an NFL record 31 game winning streak at home from 1971-74.

In practices, Shula drills for precision, and his methods eliminate errors—his teams have been the least penalized in the NFL for the last 20 years.

Shula has made a mark on the game as an innovator of defensive complexities and situation substitutions, and he has a reputation as a great motivator. Certainly, other coaches can develop brilliant strategy and deliver rousing speeches at halftime. But Shula surpasses the rest in his skill as a teacher.

"If he'd started in chemistry or mathematics," Dolphins owner Joseph Robbie says of Shula, "I think he'd be the best in the business. He can explain things simply—and then through repetition, transfer his knowledge to people as well as anybody."

Twice with the Dolphins, in 1970 and 1977, Shula has deployed five rookies in his starting defense and won 10 of 14 games each season. And for those exigencies brought on by injuries to his starting quarterback, Shula has more solutions. Backup quarterbacks have had a 25-7-1 record under Shula since 1970.

He cultivates a winning attitude in preseason success which measures 32-4-1 at Baltimore and 48-18-3 at Miami.

Shula's resourcefulness is best documented in 1965 when injuries sidelined Colts quarterback John Unitas and Gary Cuozzo, so that halfback Tom Matte wore the "playbook" on his wristband and directed a 20-17 upset at Los Angeles.

In 1971, the Dolphins won their first of four consecutive AFC East titles, and on Christmas Day in Kansas City, pro football's longest game (82 minutes, 40 seconds) ended with Garo Yepremian's winning 37-yard field goal in the second overtime. A week later, the Dolphins stymied the Unitas-led Colts, 21-0, on the same Poly-Turf where Baltimore had won Super Bowl V the previous January.

Dethroning the Colts launched the Dolphins to three consecutive AFC championships—a feat unequalled in either conference since the 1970 merger. But a disappointing 24-3 loss to the Dallas Cowboys in Super Bowl VI filled Shula and his players with greater drive, and in 1972, the Dolphins attracted headlines as the "Greatest Team Ever."

Shula had claimed 38-year old Earl Morrall from the waiver list in April, 1972, recalling Morrall's leadership of the 1968 Colts. When quarterback Bob Griese suffered a broken ankle in the fifth game, Morrall took charge for 11 straight victories. The Dolphins rewrote the NFL rushing record (2,960 yards) and with a regular season record of 105-30-5, Shula became the first NFL coach to win 100 games in his first decade, just as he is now the first NFL coach to have won 200 games in two decades.

Surprisingly, the unbeaten Dolphins were three-point underdogs to the Washington Redskins in Super Bowl VII. Shula elected to go with a healthy Griese, and the Dolphins dominated the Redskins, 14-7, for the coach's first NFL crown.

No less impressive were the 1973 Dolphins, losing only twice in 17 games. The Dolphins set a modern NFL record by allowing only 1,290 yards passing and only five touchdown passes, and they overwhelmed three playoff opponents, 85-33, including a 24-7 rout of the Minnesota Vikings in Super Bowl VIII. Their 1972-73 regular and post season record was 34-2.

"No matter what people are saying, you've got to go out and do it yourself," Shula reminds his players. "You don't win games because you're favored, and you don't lose games because you're the underdog. It's what happens on game day that counts. You've got to think positively and do the things that are necessary to win."

Today he takes an active role in NFL leadership, serving since 1975 on the select four-man NFL Competition Committee. Improved safety in pro football has become a major goal for this committee, which evaluates and recommends changes in playing rules.

As consumed as he is by football, Shula remains a devoted family man. He and the former Dorothy Bartish, married July 19, 1958 have five children—two boys and three girls, David 24, Donna 22, Sharon 21, Annie 19, and Michael 18.

David Shula, the 1977 salutatorian at Hollywood Chaminade High, broke all pass receiving records at Dartmouth College. In three seasons, the Dartmouth co-captain caught 133 passes for 1,822 yards and nine touchdowns. He succeeded as a free-agent wide receiver with Baltimore in 1981 and led the Colts in punt returns. He joined the Dolphins staff in 1982 as an assistant coach and will be receivers coach this year.

"He's never pressured me at all to do anything, whether it was baseball or soccer or football or whatever," David Shula says of his father. "It was always my own initiative. If I was interested in it, then my dad would always say, 'If you want to do it, that's great; but give it your all and don't come out a quitter. You can't always come out a winner, but you can always give it your best'."

Shula's son Michael, an all state quarterback from Columbus High School who led his team to the state finals, has received a football scholarship to the University of Alabama.

Shula's daughter Donna attends Biscayne College, Sharon attends Florida State Law School, and Annie attends Florida State University.

J. MICHAEL ROBBIE

**Exec. Vice President
and General Manager**

10th NFL Season, 10th with Dolphins

J. Michael Robbie is the Dolphins' executive in charge of the day-to-day operations of the Dolphin front office.

His responsibilities include all aspects of contractual negotiations, administration and financial management of the franchise. He started with the organization in the ticket office in September, 1971 and was promoted to ticket director for the 1974-75 seasons.

He took a three-year leave from the Dolphins to complete his Law degree at the University of South Dakota and in October 1978 he was named to his present position. Michael, 35, has a working knowledge of all of the complex operations of an NFL franchise and has represented the Dolphins at NFL meetings since 1980.

Michael, who also has a B.S. degree in mechanical engineering from Notre Dame, is the fourth-oldest of 11 Robbie children. He was born Jan. 6, 1948 in Mitchell, S.D. and was raised in Minneapolis when Joseph Robbie moved there in 1951. He earned his J.D. and M.B.A. degrees from South Dakota in May 1978 and was admitted to the South Dakota Bar. He graduated in 1966 from De LaSalle High School in Minneapolis.

He and his wife Dwyn live in Miami Shores.

DONALD G. POSS

**Vice President—
Special Projects
and Development**

1st NFL Season, 1st with Dolphins

Donald G. Poss, who supervised and directed the creation of the Hubert H. Humphrey Metrodome which opened in the spring of 1982 in Minneapolis, joined the Dolphins full time February 15, 1982.

Joseph Robbie has assigned Poss executive functions in the front office, but his major assignment is to help plan the financing, design and construction of a new stadium in South Florida.

Poss, a former Minneapolis suburban city engineer, city manager and public works director for 22 years, was the chief executive officer of the Minnesota Sports Facilities Commission (MFSC) which supervised the building of the Metrodome.

During the five years that Poss served with the MFSC, he negotiated every major agreement and contract which resulted in completing the Metrodome on time and within budget.

Poss is a 1955 engineering graduate from the University of Wisconsin. He lives in Miami Beach pending securing a permanent home in South Florida for his wife Ann and their children.

20th NFL Season, 12th with Dolphins

Born Dec. 16, 1926

Bill Arnsparger who has been the mastermind of the Dolphins defense for ten of the past 13 seasons, once again turned out a team last season that led all other AFC teams in scoring defense — the eighth time in his ten full seasons with Miami that they have ranked either first or second in that category.

In addition, last season the Dolphins were number one in total defense and pass defense, though their defense against the run (24th in the NFL) will be the subject of a concentrated effort this season.

As one writer described Arnsparger, "there is nothing to suggest his is one of the finest minds in the National Football League — **except his record.**"

Players who execute Arnsparger's system say it's too complicated to explain in layman's terms, and even the low-key Arnsparger will say it takes, "about a year" to learn.

Versatility on the part of the players is one needed ingredient to make the system work; it's not just enough for the defensive man to control the block, he must move the block; not enough to pursue, but to make the tackle; not enough to move in the flow of the run, but to impede the runner's access.

Former New England Patriots' Head Coach Chuck Fairbanks, has said, "We've seen more than 40 defensive coverages in one Miami game film, and that's three times as many as we see from any other team."

While the system may defy ordinary description, Arnsparger in commenting on the "No Name" defense of the early 1970's or the "Killer B's" defense of the early 80's, has said, "whether it was then or now, we have been lucky to have guys playing defense for us who want to improve. If a player doesn't want to try to keep on bettering himself, he is not our kind of defensive player."

Arnsparger earned a game ball in Super Bowl VIII after that team permitted only 150 points and set modern NFL records of 1,290 yards passing and five TD passes. It was following Super Bowl VIII that Arnsparger left the Dolphins for two seasons as the head coach of the New York Giants; when that didn't work out, Coach Shula had him back with the Dolphins within days of his availability.

Arnsparger and Shula were assistants together under Blanton Collier at Kentucky. He was assistant under Shula at Baltimore 1964-69, joined Shula at Miami 1970-73 and then returned from the New York Giants to the Dolphins in mid-season of 1976.

He also worked 14 years in college coaching — Miami, Ohio (1950); Ohio State (1951-53); Kentucky (1954-61) and Tulane (1962-63).

Arnsparger and his wife Betty Jane (married 8-24-57) live in Miami Lakes with their son David (8-6-65) and daughter Mary Susan (2-29-68).

TOM KEANE

Defensive Backs, Punting

20th NFL Season, 18th with Dolphins

Born Sept. 7, 1926

Dolphins fans who can trace their first season tickets back to 1966 are rare, but Tom Keane is the only member of the coaching staff who can claim to have been with the Dolphins from their first preseason game in 1966.

Keane, a former All-Pro safety for the Baltimore Colts in 1953, is coming off one of his finest seasons ever, with his players establishing a 1982 league-tying 19 interceptions during the regular shortened season and then performing brilliantly in the playoff games with 14 interceptions for 127 return yards. They also helped establish a Dolphins' record six interceptions against the Buffalo Bills Nov. 21, 1982 at Buffalo to preserve the Dolphins' undefeated record in the first game following the NFL Players' strike.

The Dolphins had five interceptions for 54 return yards against Dan Fouts and the San Diego Chargers Jan. 16, 1983 in a playoff game and then followed that with five more interceptions against Richard Todd and the New York Jets Jan. 23, 1983 to help clinch the AFC Championship.

Keane, 57, is one of only three current NFL assistants who have coached with the same club as long as 17 years — Jim Myers (1962-83) and Ernie Stautner (1966-83) of Dallas are the only others. Last year's regular season of nine games makes comparisons difficult, but the Dolphins intercepted passes at the rate of 2.11 per game and that rate would have topped their NFL-leading 32 thefts in the 16 regular-season games of 1978. The Dolphins' 14 interceptions in the four '83 playoff games averages an impressive 3.5 interceptions per game.

Keane still holds the Colts' record for the most interceptions in one season — 11, and he also averaged 42.8 yards punting. He held the ball for Bert Rechichar's 56-yard field goal which stood as an NFL record for 17 years.

His collegiate credentials shone as a freshman as he was QB and tailback for unbeaten Ohio State in 1944; after almost two years in the U.S. Navy, he returned to school to play his junior year at West Virginia. He skipped his senior year of college and was drafted by Los Angeles (1948-51); he spent a year with the Dallas Texans (1952) and went to Baltimore (1953-54) in the franchise move. In 1955, his playing career was ended when he suffered a knee injury while playing for the Chicago Cardinals in a preseason game.

He coached with the Cardinals (1957) and the Calgary Stampeders (1960) of the Canadian Football League. Keane returned to the United States as head coach of the Wheeling Ironmen of the United Football League and after winning two championships, he moved to Pittsburgh (1965) as an assistant. He joined the Dolphins staff of George Wilson in 1966 and was retained by Shula in 1970.

Keane and his wife Mary (married 7-5-52) have two daughters, Candi and Mary, and two sons, Tom and Tim. He was honored in early 1982 by the Ohio Valley's Dapper Dan Club as its Man of the Year along with Philadelphia Eagles' assistant Fred Bruney.

BOB MATHESON

Special Teams

1st NFL Season, 1st with Dolphins

Born Nov. 25, 1944

Bob Matheson, who played 14 years as a linebacker in the NFL (10 with the Dolphins), joined the Dolphins in February, 1983 as an assistant coach in charge of special teams. He will also work with Dolphin linebackers.

Matheson, a name associated with the Dolphins during their heralded Super Bowl years in the early 70's, was an assistant coach at Duke University for two years following his retirement in 1980. He joined the Dolphins in September, 1971 from Cleveland for a second-round draft choice. He became the catalyst in the development of the three-man defensive line and a fourth linebacker in passing situations — having the option to blitz the quarterback or retreat into pass coverage.

The so-called "53 Defense" was named not only for Matheson's number, but also for the five short zones and three deep zones in pass defense that the system created.

He was an all-conference linebacker at Duke from 1964-66 and was the Cleveland Brown's top draft pick in 1967. He played in three Super Bowls for the Dolphins; he joined the staff of Duke University in 1980 and was coach of the linebackers. He was treated for Hodgkin's disease in late 1982, and the disease is now in remission.

He and his wife Pam (married 6-17-67) live in Hollywood, Fl., with sons Todd (8-19-70), Drew (8-24-73) and daughter Jill (1-21-77).

JOHN SANDUSKY

Offense, Offensive Line

25th NFL Season, 8th with Dolphins

Born Dec. 28, 1925

John Sandusky, who has coached for more than a quarter of a century in the NFL, directs a Dolphins' offensive line that led the NFL in rushing in the 1970's and shows every sign of being among the leaders in the 1980's.

A forthright perfectionist, his role with the Dolphins is vital; they are a team — a rarity in the present NFL — that in 1982 rushed for almost exactly as much yardage as they gained from the passing game, 1,344 yards rushing and 1,314 passing. That requires strong blocking, and Sandusky fashions players on the offensive line five-man front who are among the best in the NFL.

Sandusky, who has had more NFL coaching experience than any other member of the Dolphins' coaching staff by five years,

was the offensive line coach under Don Shula for seven years (1963-69) with Baltimore. When Shula signed with the Dolphins, he tried to bring Sandusky to the team in 1970, but the Baltimore coaching staff was restricted. Sandusky stayed with the Colts to coach the defensive line and was with them from 1970-72, including the Colts Super Bowl V victory under Head Coach Don McCafferty.

Sandusky, 57, has the unique distinction of having participated in four different capacities in the now-defunct College All-Star game in Chicago. He played with the All Stars in 1950, coached the offensive line in 1958, played with the NFL champion Cleveland Browns against the All Stars in 1951 and 1955 and coached the Baltimore Colts' offensive line against the All Stars in 1969 and the Colts' defensive line in 1971.

His first NFL coaching assignment was with the Colts as assistant defensive line coach under Weeb Ewbank. He has spent seven years on defense and 18 years coaching offense.

Early in 1972, following the firing of Coach McCafferty, Sandusky was head coach of the Colts and recorded a 4-5 record with the same team than had gone 1-4 under McCafferty. Two of Sandusky's defeats came at the hands of the undefeated Dolphins. From 1973-75, Sandusky spent three years as assistant coach of the Philadelphia Eagles' offensive line.

In his college career, he had been an All-American tackle from Villanova. As an NFL player, he went both ways at tackle for Cleveland (1950-55) when the Browns played in six consecutive NFL championship games, winning three titles. Sandusky spent one year with the Green Bay Packers (1956) and began his coaching career as a Villanova assistant, 1958-59.

He and his wife Ruth (married 3-31-51) live in Cooper City and they have raised four sons and a daughter — John, James, Ruth, Joe and Gerry. Joe died of complications from pneumonia in 1978 while a sophomore at Tulsa University.

MIKE SCARRY

Run Defense,

Defensive Line

17th NFL Season, 14th with Dolphins

Born Feb. 1, 1920

Mike Scarry, whose coaching career has spanned five decades, has tutored a consistently solid defensive line for the Dolphins since 1970. His run defense in the last four seasons (1978-82) surrendered only 54 touchdowns rushing in 73 games, which ranks third-best in the NFL.

Scarry has guided the giants of Dolphin defense including Bill Stanfill, Bob Heinz, Vern Den Herder, Bob Baumhower and Doug Betters. His defenders put a stranglehold on opponents in 1979, keeping nine foes under 100 yards rushing and ranking second in the NFL with a 106.4-yard average yield. The previous highest ranking was third in 1972 with a 110.6-yard average.

In their last four seasons of reaching the playoffs (1978-82), the Dolphins permitted either none or one touchdown in 31 of 57 regular-season games. The Dolphins have topped 40 quarterback sacks three times under Scarry — 45 in 1973, 40 in 1975 and 41 in

1978. Miami also led the NFL with 14 shutouts during the 1970's.

Scarry, 63, was elected to the NAIA Hall of Fame in 1964 in recognition of his playing days as a center and linebacker at Waynesburg (Pa.) College. He played the first game ever televised (Waynesburg vs. Fordham in New York, 1939). After two years in the Army, "Mo" was center for the Cleveland Rams (1944-45) in the old All-America Football Conference.

He began an 18-year college coaching career at Western Reserve (1948-49) and moved to Santa Clara (1950-52), Loras (1953), Washington State (1954-55) and Cincinnati (1956-62) before becoming head coach at Waynesburg (1963-65). His Yellow Jackets posted a record of 17-8-1 including two West Penn Conference titles, and he recruited and developed the Waynesburg squad which went unbeaten and won the NAIA championship in 1966.

Scarry moved into the pro ranks with the Washington Redskins (1966-68) under Otto Graham, and he spent the 1969 season as a scout for San Francisco before joining the Dolphins in 1970.

In 1969 he was named to the Waynesburg College Hall of Fame for both football and basketball.

He and his wife Elizabeth (married 1-27-43) live in Miami and have eight children, five boys and three girls—Sally Beth, Mike, Patricia, Tom, Maggie, John, Jim and Dennis.

DAVID SHULA

Receivers

2nd NFL Season, 2nd with Dolphins

Born May 28, 1959

David Shula, hired on a temporary basis following the departure of Assistant Coach Wally English as head coach at Tulane University last December, was named a permanent member of the coaching staff in January, 1983.

He was the youngest assistant coach in the NFL at the time of his appointment. He had to decide whether to return to law school in Baltimore last January or to pursue a coaching career.

Following an outstanding high school career at Hollywood Chaminade High School, he broke all pass receiving records at Dartmouth College. In three seasons, the Dartmouth co-captain caught 133 passes for 1,822 yards.

He was signed as a free agent by the Baltimore Colts and stayed with the team through 1981 and led the Colts in punt returns. He was married (wife Leslie) in June 1982 and they live in Miami.

Don Shula on his sideline deportment

I think I've quieted down some as I've gotten more experience. But I'm still very involved and very emotional . . . I want to do the things that brought me this far. You put so much into it; it's natural that it comes out. I'd rather have it come out than be sitting here with ulcers.

CARL TASEFF

Offensive Backs

17th NFL Season, 14th with Dolphins

Born Sept. 28, 1928

Joined Dolphin Head Coach Don Shula, with whom he had played both college and professional ball, shortly after Shula had taken the head coaching job with the Dolphins in 1970.

Taseff, who has been in charge of the Dolphin offensive backfield since 1970, saw his Dolphins ranked fifth in NFL rushing in the 1982 season with an average of 149.3 yards per game. The Dolphins' offense last year was almost perfectly balanced between running and passing (50.56% total yards rushing and 49.44% passing).

Since 1970, Taseff has coached 11 different running backs who have gained more than 500 yards rushing. He is the "constant coach," stressing fundamentals, technique and toughness.

Andra Franklin, who gained 701 yards rushing in nine games last season, would have become Taseff's fourth Dolphin to have exceeded 1,000 yards rushing in a full regular season if he had maintained his average of 77.9 yards rushing per game.

In addition to his coaching duties the first three years with the Dolphins, Taseff also scouted Dolphin opponents. From 1968-69, he worked for the scouting combine CEPO.

Taseff played nine years for the Baltimore Colts (1953-61) at left cornerback and set Colt records with a 90-yard punt return for a touchdown against Green Bay Oct. 14, 1956 (four returns for 148 yards). He also holds an NFL record with a 99-yard return of a Walt Michaels field-goal attempt Dec. 12, 1959 against the Los Angeles Rams. His career marks were 112 punt returns for 286 yards — and he never fumbled a punt.

Both Shula and Taseff played in the same backfield for Coach Herb Eisele at John Carroll University in Cleveland, Ohio. Taseff scored 20 touchdowns in 1950. The two were roommates with the Cleveland Browns (1951-52) and at Baltimore (1953-56).

In 1962, Taseff concluded his career with Buffalo in the American Football League and later became a defensive coach with the AFL Boston Patriots (1964) and the Detroit Lions (1965-66) under Harry Gilmer.

Taseff and his wife Lucy (married 11-18-78) live in Pembroke Pines. He has two daughters, Cynthia Sue and Susan, by a previous marriage.

JUNIOR WADE

Strength & Flexibility

9th NFL Season, 9th with Dolphins

Born Feb. 2, 1947

After eight years as the Dolphins' assistant trainer, Junior

Wade received a promotion to the coaching ranks — in charge of strength and flexibility.

In addition to being in charge of the team's off-season conditioning program, Wade will also help with special teams coaching. He joined the Dolphins in 1975 after being head baseball coach at Davidson College and leading them to their best record (21-15) in their history. He had worked in Dolphin preseason camps in 1973-74 while serving as an assistant trainer at Davidson. He was a three-year letterman at South Carolina State and earned a master's degree in education. Coach Shula, when he announced Wade's promotion, praised Wade's work. Wade often works out with injured players by putting himself through the same rehabilitation of running and weightlifting prescribed by trainer Bob Lundy and/or the Dolphin doctors.

He and his wife Constance (married 12-13-70) live in Hialeah with their son Aaron (2-25-72).

CHARLEY WINNER

**Director of Pro Personnel
and Administrative Assistant
29th NFL Season, 3rd with Dolphins**

Born July 3, 1925

Charley Winner, who has had two head coaching jobs in the NFL in the past 29 years, was hired three years ago as the Director of Pro Personnel. He was promoted this past year to Administrative Assistant and has negotiated contracts with free agents and some draft choices.

Winner also scouts upcoming opponents for the Dolphins during the regular season and provides analysis of NFL talent in waiver and trade procedures.

He was a former coach of Don Shula in the mid-1950's at Baltimore and spent 12 years as a defensive coach under Weeb Ewbank and later, Shula. Winner became head coach at St. Louis (1966-70) where he developed quarterback Jim Hart and his 1966 team set club records on defense which still stand, i.e., most quarterback sacks (52) and fewest yards rushing (85.1 yards per game). The Cardinals were 35-30 in his five seasons.

Winner was also head coach of the New York Jets during 1974-75, and had a 9-14 record. From 1971-72, he was assistant at Washington under George Allen and an assistant under Ewbank with the New York Jets in 1973. He worked for a cable TV firm in 1980 before joining the Dolphins.

Winner was a radio operator and gunner in the Air Force in World War II, and played halfback at Washington University in St. Louis where he was graduated in 1949. Before joining Ewbank at Baltimore in 1954, he was an aide at Washington (1948-49) and Case Tech (1950-53).

He and his wife Nancy (married 6-23-50) have two daughters, Cinda and Lisa.

CHUCK CONNOR

Director of Player Personnel
6th NFL Season, 6th with Dolphins

Born July 7, 1937

After six consecutive Dolphin drafts, Chuck Connor has selected more than 30 players on the current Dolphin roster at the start of the 1983 season. Not only have his choices been instrumental in rebuilding the defensive secondary (tied with most interceptions for 1982 season in the NFL), but the offensive line is now regarded as one of the finest in the NFL.

Because of last year's shortened season, few 1982 draft choices saw much playing time and Head Coach Don Shula said both the 1982 and 1983 choices would be competing head to head for places on the 45-man squad this year. Some of Connor's more successful draftees have been Dwight Stephenson at center; Jeff Toews at guard; Tom Vigorito, a running back; Andra Franklin, fullback; Uwe von Schamann, placekicker; Don McNeal, cornerback; and David Woodley, quarterback — to name but a few.

Connor replaced Bobby Beathard in February, 1978. He had spent the previous three football seasons scouting for BLESTO, which provides college player evaluations to NFL teams.

In 1977, Connor had been promoted to regional scout and his territory included Florida, Georgia, Alabama, Tennessee, North and South Carolina, Louisiana, Mississippi and Arkansas.

He was a two-way end at the University of Cincinnati (1955-59) before he started a 15-year coaching career at Montour High near Pittsburgh. He got his introduction into the world of NFL scouting by doing player evaluations from films for the Pittsburgh Steelers while still holding his coaching position at the high school. In 1974, Connor combined his coaching job in the high school with a coaching job at Carnegie-Mellon University in charge of the defensive secondary.

He moved his family from McKees Rock, Pa., to Stone Mountain, Ga., near Atlanta to work for BLESTO.

He and his wife Dorothy (married 6-27-59) have four children — Chuck (4-23-60), Mike (1-16-65), Karen (6-20-66) and Scott (7-29-76).

BOB LUNDY

Trainer
17th NFL Season, 17th with Dolphins

Born March 28, 1936

Bob Lundy is another Dolphin training camp veteran who has been with the team all but one season since it was established in 1966. Lundy, who is one of the very few NFL trainers ever to

receive a game ball, joined the Dolphins in their first season at the request of Head Coach George Wilson.

He was retained in 1970 when Don Shula took over and aside from taking a year off in 1973 (to sell real estate), he has been the Dolphins' trainer throughout the history of the franchise.

Lundy, 47, graduated from Boston University in 1958 and was assistant trainer at Indiana University while a graduate student. He was head trainer at Detroit University from 1960-63 before becoming full time assistant trainer for the Detroit Lions from 1964-1966.

His off-season training and flexibility program, helped by former assistant and now assistant coach Junior Wade, is credited with keeping Dolphin injuries at a minimum. While Lundy emphasizes that all treatments are prescribed by team doctors, he is the person in charge of seeing to it that the players conform. It is also Lundy's decision, to a large extent, that determines whether a player is ready to resume practice.

He and his wife Alice (married 6-2-62) live in Miami with their three sons Bobby (3-30-63), Billy (6-30-66) and David (1-30-70).

BILL DAVIS

Assistant Trainer

1st NFL Season, 1st with Dolphins

Born April 8, 1954

Bill Davis joined the Dolphins on a full-time basis as assistant trainer this past May. He will aid Bob Lundy with injury treatment and rehabilitation of Dolphin players.

Davis previously worked with the Dolphins as a training camp assistant to Lundy from 1975-79. While attending college at Davidson, Davis also helped current Miami Assistant Coach Junior Wade while Wade was baseball coach and assistant trainer at the North Carolina school.

Davis received his B.A. degree from Davidson in 1976, and earned his NATA certification the following year. He got his master's degree in health and physical education in 1978 from Tennessee Tech. In the fall of '78, Davis was named Athletic Trainer For Men at the University of Tennessee-Martin, a position he held until accepting his current post.

Davis is single and resides in Miami.

DAN DOWE

Equipment Manager

18th NFL Season, 18th with Dolphins

Born Sept. 16, 1924

Dan Dowe started with the Dolphins as assistant equipment manager in 1966, the Dolphins' first year, and was promoted to equipment manager in 1969.

He has become a legendary presence in the Dolphins' locker room not only because he has been with the franchise from its very start, but also because he lends an appropriate levity with his pranks on both players and coaches. Fans and players from the past and present turned out en masse for a formal "roast" of Dowe in 1978.

He is a specialist in footgear and equipment and the Dolphins have never suffered a disadvantage by not having had the right equipment packed for different weather conditions while on the road.

He is a native of Brighton, Mass., and served on board the USS Forest in World War II — a ship that was hit by a Kamikaze plane in action off Okinawa. As a civilian, he worked for a time at an industrial electronics firm in Boston and subsequently as a police officer in Bal Harbor, Florida.

Dowe and his wife Virginia (married 6-8-57) live in Hollywood Hills with their son, Darin (9-14-69).

MILT DAVIS

College Scout

6th NFL Season, 6th with Dolphins

Born May 31, 1929

Milt Davis has been scouting for the Dolphins in the Western states since 1978 and for other NFL teams since 1967.

He has his doctorate in administrative education from UCLA, and is a counselor and biology professor at Los Angeles City College.

Davis, who is an avid bird watcher, played four seasons (1957-60) with the Colts and twice tied for the NFL lead in interceptions, including 10 as a rookie. He was with the Colts when they defeated the New York Giants twice in title games (1958-59) and he had 27 career interceptions.

Davis lives in Los Angeles with his wife Yvonne and their three children Allison (2-19-59) and twins Brian and Hilary (5-21-62).

ELBERT DUBENION

College Scout

5th NFL Season, 5th with Dolphins

Born Feb. 16, 1935

Elbert Dubenion has been on the Dolphins' scouting staff since the 1979 draft and his main responsibility has been the northern tier of states, including the Big Ten and the Big Eight.

He had a nine-year playing career with the Buffalo Bills and

then spent the next ten years scouting for the franchise.

Dubenion still holds the Buffalo career receiving record with 296 receptions for 5,034 yards and 35 touchdowns. In 1964 he caught 42 passes for 1,139 yards and 10 touchdowns and the Bills won the AFL title.

He and his wife Marilyn (married 6-8-59) live in Westerville, Ohio, near Columbus, with their four daughters—Debbie (3-1-61), Carol (1-8-63), Susan (10-8-65) and Lisa (2-16-67).

MIKE CARTWRIGHT

College Scout

5th NFL Season, 1st with Dolphins

Born Feb. 12, 1946

Mike Cartwright joined the Dolphins this season after working for BLESTO as an area scout from 1979-81, and then as a regional scout last year. His Dolphin responsibilities will mainly encompass the midwestern states.

Cartwright originally broke into scouting with the San Francisco 49'ers, working for Pro-Line. He is a former high school teacher and coach in the Cheyenne, Wyoming school system. He graduated from the University of Wyoming with a B.S. in physical education and biological science.

He was married Sept. 25, 1974 and has three sons — Chad (12-12-64), Brad (12-30-68), and Jeremy (4-25-67).

The Dolphin "brain trust" in scouting college talent. (L to R) Chuck Connor, Elbert Dubenion, Mike Cartwright, and Milt Davis.

DOLPHINS RADIO NETWORK

Rick Weaver, an outstanding play-by-play broadcaster recognized throughout the NFL, will be calling the Dolphins' action for his 13th season in 1983. He is sports director of WIOD (610 AM), which has originated Dolphin broadcasts since the team's inception in 1966. Veteran newsman Henry Barrow and sports analyst Hank Goldberg will provide color commentary.

DAVID WOODLEY

Quarterback

16

6-2, 204

Louisiana State

4th Year

(D8b, 1980)

Born Oct. 25, 1958

Going into the 1983 NFL season, he is now one of the most experienced fourth-year QBs in the history of the NFL . . . was the youngest QB ever to start a Super Bowl . . . had a won-loss "pitcher of record" of 5-5 in 1980; 8-3 in 1981 not counting two games won by the Dolphins when he was relieved at halftime as the Dolphins were leading, and 6-2 in the 1982 regular season . . . he is 3-2 in post-season play . . . on QB rating statistics, he ranked ninth in the AFC during the 1982 regular season . . . has been quoted as saying, "the only numbers that matter are the ones on the scoreboard when the game ends. If I play well, I know it, and the people who matter know it. The critics will always be there" . . . through the first eight games of the 1982 regular

season, Woodley was averaging 105 yards passing and his QB rating was 52.1. In the next three games — the Jan. 2, 1983 Baltimore Colts' game, and playoff games Jan 8, 1983 against the New England Patriots, and Jan. 16, 1983 vs. the San Diego Chargers — he completed 47 of 63 passes for 680 yards with seven touchdowns and one interception . . . his rating for those three games was 139.6 . . . he is always a threat to run the ball and in the season opener Sept. 12, 1982 vs. N.Y. Jets from the shotgun formation, he handed off to Tony Nathan, then turned into a receiver for a 15-yard touchdown reception from Nathan . . . he rushed the ball 36 times for 207 yards and a 5.8-yard average in the 1982 regular season . . . he is the Dolphins' rushing average leader for ten or more rushes . . . has an explosive aptitude that first showed in 1980 game against Los Angeles Rams when he ran for two TD's and passed for three in a 35-14 win, and again against Dallas in 1981 when he passed for 408 yards and led an overall Dolphin offensive effort of 529 yards — the most ever run up against the Cowboys — in a 28-27 Dolphin loss . . . he also rushed for one touchdown and threw for two against the San Diego Chargers in the Jan. 16, 1983 playoff game which the Dolphins won 34-13 . . . he was overlooked until the eighth round of the 1980 draft primarily because he operated a two-quarterback system at Louisiana State . . . his outstanding rookie training camp plus his preseason play convinced Dolphins to trade QB Guy Benjamin to New Orleans . . . his mobility makes him difficult to defend and Dolphins have put in designed running plays to take advantage of his quickness . . . following the No. 1 draft pick of Dan Marino, Woodley took the decision in stride and was quoted, "I'm no stranger to competition. There's always been somebody around. It makes it easier for me because I have never known any other situation" . . . he was the 214th player picked in the 1980 draft.

COLLEGE, PERSONAL: He shared quarterback duties with Steve Ensminger at Louisiana State, but Woodley took charge in LSU finale by ramrodding 34-10 rout of Wake Forest in Tangerine Bowl . . . he completed 11 of 19 passes for 199 yards and one TD, and he rushed 75 yards on ten carries and scored two TD's . . . his career totals were 151-of-310 marksmanship (48.7 percent) for 2,084 yards, eight touchdowns and 15 interceptions . . . he also piled up 833 yards on 218 carries with 14 TD's for Tigers . . . he is probably the first NFL quarterback to collect more TD's running than passing while in college . . . full name David Eugene Woodley, born Oct. 25, 1958 in Shreveport, La., he starred at Byrd High in same city that produced Terry Bradshaw and Joe Ferguson . . . lawyer's son is the fifth of seven children . . . majored in computer science . . . he and wife Suzanne (married 6-13-81) live in Davie, Fl.

MIAMI 45, NEW YORK JETS 28

New York, Sept. 12—After four years of the so-called Jets' Jinx the Dolphins buried the Jets, 45-28 while not allowing QB David Woodley to be sacked once. The Dolphins used both long, ball-control drives as well as lightning strikes to lead them to a decisive victory. Two long drives, 80 yards in 13 plays on their first possession and 87 yards in 18 plays in the third quarter were illustrative of Dolphin dominance. On the first drive, Andra Franklin scored from the one and on the second Woodley caught a 15-yard TD pass from Tony Nathan. Other scoring was by Tom Vigorito, who returned a punt 59 yards; Glenn Blackwood running 35 yards with an interception and Don McNeal running 19 yards with an interception for a TD.

MIAMI 24, BALTIMORE 20

Miami, Sept. 19—In a surprisingly close game, the Dolphins survived to win 24-20. While the Dolphins started out continuing the caliber of play they had shown just the week before in a 45-28 win over the New York Jets, a sudden let down in the second quarter opened the way for a Colts 17-14 halftime lead. The Dolphins scored on their first two possessions as Woodley, who completed 16 of 25 passes for 180 yards, ran one yard and passed four yards to Bruce Hardy for touchdowns. A Colt's 88-yard TD drive was highlighted by Ray Butler's 53-yard catch of rookie QB Mike Pagel's first NFL TD pass. Pagel ran the first TD in on a two-yard rush. Butler was also the key player on the second TD after catching a pass in the midst of Dolphin defenders who blocked themselves out of the play. On a fourth and five, Colts' Coach Frank Kush sent in kicker Mike Wood to kick a field goal. There was a mishandled snap and Pagel picked up the loose ball, rolled right and passed left to linebacker Barry Kraus who had lined up as a tight end and was open in the end zone. Vigorito quickly regained the lead for the Dolphins by scoring on an early fourth quarter sweep for the 33-yard go-ahead TD.

MIAMI 9, BUFFALO 7

Buffalo, Nov. 21—In the first regular season game following a nine-week NFL players strike, the Dolphins registered their third straight victory with a 9-7 win over the Buffalo Bills. The Dolphins tied a team record by intercepting six passes and making one fumble recovery. Placekicker Uwe von Schamann was responsible for all Dolphin scoring with three field goals. Six individual Miami players were responsible for the interceptions of Joe Ferguson passes. Fulton Walker caught a Ferguson overthrow in the first quarter and was followed by interceptions by Mike Kozlowski, Gerald Small, Glenn Blackwood, A.J. Duhe and Don McNeal. Even with all the interceptions, the Dolphins trailed 6-3 heading into the fourth quarter and needed one more turnover to clinch the victory. Four Dolphin defenders simultaneously tackled wide receiver Robert Holt and the ball squirted loose. Mike Kozlowski picked it up on the first hop and returned it to the Buffalo Bills 12-yard line before being tackled.

TAMPA BAY 23, MIAMI 17

Tampa Bay, Nov. 29—In spite of a 3-0 record, the winless Tampa Bay Bucs dealt the unbeaten Miami Dolphins a 23-17 defeat in a nationally televised Monday night game in Tampa. David Woodley quarterbacked the first half sparked by a 72-yard drive that culminated in a 29-yard field goal by Uwe von Schamann that tied the score at 3-3. Woodley got Miami down to the Bucs' 36 late in the half but was intercepted by Mike Washington at the 21 setting up the go-ahead field goal by Bill Capeci of Tampa. Coach Shula started QB Don Strock in the second half, who was ineffective until the Bucs had gone ahead 16-3 at the end of the third quarter. Strock was intercepted four times and fumbled the ball away once. In the fourth quarter, Neal Colzie of Tampa Bay hauled in a Strock pass on the Bucs 35 and returned it all the way to the Miami 15. With the Bucs leading 23-10 with less than nine minutes to play, Strock engineered an 80-yard drive which ended with a TD completion to tight end Joe Rose to narrow the gap to 23-17 with 0:34 showing on the clock. The Dolphins recovered an on-side kick and with 12 seconds to go before a Strock pass intended for wide receiver Duriel Harris was intercepted near the end zone to end the game.

MIAMI 22, MINNESOTA 14

Miami, Dec. 5 — The Dolphins, featuring three interceptions, five sacks and a fumble recovery, beat the Vikings 22-14. The win, before 45,721 fans, improved the Dolphins record to 4-1 and left Minnesota Coach Bud Grant complaining about the aggressiveness of the Dolphin chucks during the game. Viking QB Tommy Kramer, sacked only eight times in Minnesota's previous four games, got buried five times by the on-rushing Dolphins for a total of 38 yards in losses. Kramer said, "There were times no one was open, and I just had to pull the ball down. That's typical of a Shula-coached football team. Bill Arnsparger runs their defense and does a very good job of it." Minnesota's passing game netted only 89 yards compared to an average of 212 passing yards per game this season. Two-year full back Andra Franklin finished the game with a career high of 28 carries of 129 yards. The Dolphins led 9-7 at the half behind a one-yard sneak in the first quarter by Woodley and a 34-yard field goal by Uwe von Schamann. The Dolphins added ten points in the fourth quarter on a nine-yard run by Andra Franklin and 24-yard field goal by Uwe von Schamann. Minnesota scored on a 18-yard run by Kramer in the second quarter and a 1-yard run by Tony Galbreath that was set up by a 35-yard return of an Eddie Hill fumble by Viking Cornerback John Turner.

NEW ENGLAND 3, MIAMI 0

New England, Dec. 12 — In one of the more bizarre incidents of any NFL season, a work release parole cleared a space on the snow frozen New England Patriots field that helped enable the Patriots to win a 3-0 game.

The snow plow operator, Mark Henderson, responded to directions from Patriots' Coach Ron Meyer who waved him on the field with 4:45 minutes left in the game, to clear the field goal area. Only 25,716 fans braved the below-freezing weather to attend the game. Franklin who had played in comparable weather at the University of Nebraska, led all rushers 107 yards on 22 carries. However, the Patriots responded with Mark van Eeghen gaining 100 yards on 22 carries and Mosei Tatupu had 81 yards on 13 carries. Miami, Dec. 18 — With 22 of the 1972 undefeated Miami Dolphin's looking on in the stands, Miami defeated the New York Jets for the second time this season on a 47-yard field goal by Uwe von Schamann to win the game 20-19. With 1:48 remaining in the game the Dolphins trailed the Jets 19-17 and were 83 yards from the end zone with just one time out remaining. Shula had pulled starting QB David Woodley. Earlier, the Jets' Pat Leahy had kicked a 49-yard FG to give the Jets a 19-17 lead with nine minutes remaining in the game. The Dolphins' offense was led by Duriel Harris, who caught four passes for 74 yards including a 36-yard TD. Ed Newman on the influence of offensive line coach John Sandusky:

"He's a firm hand for me. There's no complacency with the man. There's only one way to do things—his way, the right way . . . I used to be a little top-heavy. I was so strong and powerful coming off the ball . . . I would do things and say, 'How could you blame me for knocking a guy half a mile out of the stadium?' and he would tell me there's a better way. He was very, very firm with me. I'm really glad for it now. My consistency and my effectiveness have gone up. There are plenty enough plays where you can be Superman. He kind of moderated me."

VIKINGS OLD FOES

The longest-running preseason series for the Miami Dolphins was a see-saw rivalry with the Minnesota Vikings, a series which was suspended in 1982. The teams split 12 games, and the home-and-home series went 11 consecutive years from 1971 to 1981 with the initial encounter held in Tampa in 1969.

From 1971 through 1978, the home team prevailed in the Dolphins/Vikings series.

The Dolphins won 11 consecutive preseason games until the Vikings tripped them in 1977, and Miami built another 10-game preseason streak before bowing to Minnesota in 1980.

In preseason games, the Dolphins are 31-12-2 in the Orange Bowl, 18-13-1 on the road and 4-7-1 at neutral sites.

Raiders Sink Dolphins With 82-Yard Bomb

Oakland, Dec. 27 — Quarterback Daryle Lamonica unloaded an 82-yard touchdown pass to Rod Sherman with 9:34 to play as Oakland spoiled the Dolphins' first appearance in the playoffs, 21-14, on a field oozing with mud.

The Dolphins, who had won six consecutive games to finish 10-4 and gain a wild-card berth, had taken a 7-0 lead in the second quarter when Bob Griese fired a 16-yard strike to Paul Warfield in the end zone. Lamonica matched that TD with a 22-yard toss to Fred Biletnikoff only 1:50 before halftime.

Raider right cornerback Willie Brown intercepted a wet and wobbly pass by Griese and fled 50 yards along the sideline for the tie-breaking TD. It came minutes after Jake Scott recovered an Oakland fumble at the Miami 10-yard line.

The heave to Sherman was insurance. Only three plays earlier, Dolphin kicker Garo Yepremian missed a 24-yard field-goal attempt for the second time in the game. Oakland's George Blanda also missed a 23-yarder.

Dolphins Outlast Chiefs in Longest Game

Kansas City, Dec. 25 — Garo Yepremian ended 82 minutes and 40 seconds of an epic struggle by thumping a 37-yard field goal with 7:40 elapsed in the second overtime, lifting the Dolphins past Kansas City, 27-34, on Christmas Day.

The Dolphins battled from behind three times to tie the AFC West champions, the third time on Bob Griese's five-yard pass to tight end Marv Fleming with 96 seconds remaining in regulation.

Kansas City running back Ed Podolak, who amassed 350 yards of all-purpose running, returned the ensuing kickoff 78 yards to the Dolphin 22 where Curtis Johnson made a desperation tackle. With 35 seconds on the clock, Jan Stenerud missed a 32-yard field-goal try.

Stenerud had a 42-yarder blocked by Nick Buoniconti in the fifth quarter, and Yepremian was short with a 45-yard effort. But Larry Csonka crashed 29 yards to the Chiefs 36, and that put Yepremian, the NFL's scoring leader, in position to win it. Goal posts were on the goal line; in 1974 the uprights were moved to the end line.

Anderson, No-Names Stymie Colts, 21-0

Miami, Jan. 2, 1972 — Three lightning plays and a persistent defense propelled the Dolphins into Super Bowl VI with a 21-0 rout of Baltimore before an all-time Orange Bowl record crowd of 78,939.

Strong safety Dick Anderson intercepted a John Unitas pass which was deflected by Curtis Johnson, and behind a wall of six open-field blocks, Anderson weaved 62 yards for a third-quarter touchdown. "My eyes were popping as I ran," Anderson said. "I've never seen so many people land on their heads."

Before Anderson's convoy made it 14-0, the Dolphins staggered the defending Super Bowl champions when Bob Griese and Paul Warfield hooked up for a 75-yard TD pass. Warfield applied the clincher when he escaped 50 yards with a Griese pass, setting up a five-yard TD slam by fullback Larry Csonka.

The Colts hadn't been held scoreless for 97 games over seven seasons. They were stopped at the Dolphin 9 in the second quarter. Jim O'Brien missed two field-goal attempts and had another blocked by Lloyd Mumford.

Cowboys Flatten Luckless Dolphins, 24-3

New Orleans, Jan. 16, 1972 — A 252-yard rushing attack and sharp passing by Roger Staubach spurred the Dallas Cowboys to a 24-3 victory over the Dolphins at Tulane Stadium.

Duane Thomas pranced 95 yards on 19 carries, fullback Walt Garrison added 74 yards on 14 carries and Staubach passed twice for touchdowns to Lance Alworth and Mike Ditka. Staubach, who was sacked twice in the first quarter, bounced back to complete 12 of 19 passes, and he scrambled from the Dolphin pass rush five times.

The Dolphins were frustrated all day; in the first quarter, Larry Csonka lost a fumble and Bob Griese was chased by tackle Bob Lilly for a 29-yard loss. Griese fumbled away a snap at the Dallas 16 in the fourth period.

Although it was intriguing 10-3 at halftime, the Cowboys marched 71 yards in seven plays after kickoff, and Thomas swept three yards for the TD.

Late TD Drive Rescues Unbeaten Dolphins

Miami, Dec. 24 — On the ropes in the fourth quarter after an unprecedented 14 victories, the Dolphins responded to poised Earl Morrall and drove 80 yards for a touchdown with 4:56 to play for a 20-14 victory over the Cleveland Browns.

Morrall, the NFL's leading passer as he replaced injured Bob Griese 10 weeks earlier, had completed only four passes for 38 yards. But he threw 15 and 35 yards to Paul Warfield, reaching the Browns' 20, and a pass interference call against linebacker Billy Andrews put the ball at the 8.

Halfback Jim Klick then bulled eight yards up the middle on a trap for the winning points. The triumph was sealed with a minute to play when linebacker Doug Swift intercepted quarterback Mike Phipps at the Dolphin 20.

Despite stealing five of Phipps' passes, the Dolphins were stung by a 27-yard TD pass to Fair Hooker and trailed, 14-13, with 8:11 to play.

Griese Comes Off Bench to Rally 21-17 Win

Pittsburgh, Dec. 31 — Quarterback Bob Griese, playing 11 weeks after he had broken his right leg, ignited a third-quarter touchdown drive with a 52-yard pass to Paul Warfield, and the Dolphins overtook the Pittsburgh Steelers, 21-17, in unusually warm 63-degree weather.

Griese was given the nod in the second half after Earl Morrall had flipped a nine-yard touchdown pass to Larry Csonka for a 7-7 halftime deadlock. Punter Larry Seiple broke loose on a daring 37-yard run to set up that TD.

Trailing 10-7, Griese directed TD drives of 80 and 49 yards with Jim Kiick blasting two and three yards for the scores. Steeler quarterback Terry Bradshaw, who closed the gap with four straight completions on a 71-yard TD drive, was intercepted by Nick Buoniconti at midfield with 2:5 minutes to play.

In addition to Seiple's dash, the Dolphins converted fourth-down situations on both Griese-led drives.

Dolphins Achieve Perfection in 17th Win

Los Angeles, Jan. 14, 1973 — "This is the ultimate," Coach Don Shula said quietly after his unbeaten Dolphins dominated the Washington Redskins, 14-7, to cap a perfect season. It was Shula's first Super Bowl triumph in three tries.

A record Super Bowl crowd of 90,182 saw the Dolphins surge to a 14-0 halftime lead even as one touchdown was nullified by an offsides penalty. Miami intercepted three of Bill Kilmer's passes, and Manny Fernandez scuttled the Redskin running game with 17 tackles.

An original Dolphin, Howard Twilley, eluded cornerback Pat Fischer to snare a 28-yard touchdown pass from Bob Griese in the first quarter. Griese's 47-yard TD bomb to Paul Warfield was erased by the penalty, but a 32-yard interception return by linebacker Nick Buoniconti set up the Dolphins' second score.

Safety Jake Scott thwarted Kilmer with an end-zone interception and 55-yard runback. The Redskins finally scored on a bizarre 49-yard fumble recovery by Mike Bass after a block field goal and attempted pass by kicker Garo Yepremian. Scott was named MVP.

Stout Defense Cages Bengals, 34-16

Miami, Dec. 23 — A defense which had allowed only 15 touchdowns all season kept the Cincinnati Bengals out of the end zone while the Dolphins hammered 241 yards on the ground for a convincing 34-16 victory.

Mercury Morris scooted 106 yards on 20 carries and Bob Griese completed 11 of 18 passes including TDs of 13 yards to Paul Warfield and seven yards to Jim Mandich. Garo Yepremian converted long field goals of 50 and 46 yards in the second half to widen the winning margin.

The Dolphins led 21-3 when a lapse just before halftime gave life to the Bengals. Safety Neal Craig intercepted Griese and returned 45 yards for a score, and Horst Muhlmann booted field goals for 46 and 12 yards — the second coming after Morris fumbled a kickoff — to make it 21-16.

Dolphins Grind Raiders With 266 Rushing

Miami, Dec. 30 — A relentless running attack with Larry Csonka and Mercury Morris accounting for 203 of the 266 yards powered the Dolphins to a 27-10 triumph over the Oakland Raiders for a third straight American Conference title.

Csonka, a 237-pound battering ram who had his third consecutive 1,000-yard season, scored three touchdowns with his 117 yards on 29 carries. The Dolphins covered 64 and 63 yards exclusively on the ground for a 14-0 halftime lead.

Then as the Raiders battled within 17-10, Bob Griese directed ground assaults of 63 yards culminating in a field goal and 40 yards ending in Csonka's third TD.

Defensively, safety Dick Anderson forced a fourth-down fumble by Marv Hubbard at midfield, and the Dolphins took possession with a 20-10 lead and six minutes to play.

Oakland had stopped Miami's 18-game winning streak, 12-7, three months earlier.

SUPER BOWL VIII

Dolphins Demolish Vikings, 24-7

Houston, Jan. 13, 1974 — Winning for the 32nd time in 34 games, the Dolphins repeated as Super Bowl champions and proved themselves "Best Ever" with a 24-7 rout of the Minnesota Vikings at Rice Stadium.

There was no doubt from the beginning. The Dolphins swept 62 yards in 10 plays with the opening kickoff, scoring on Larry Csonka's five-yard smash. Minnesota punted, and the onslaught resumed with a 56-yard, 10-play Dolphin drive capped by Jim Kiick's one-yard plunge.

It was 17-0 before the Vikings crossed their 40, and a fourth-down fumble by Oscar Reed was recovered by safety Jake Scott at the Dolphin six-yard line.

A brilliant, diving catch by Paul Warfield netted 27 yards on a third-quarter TD drive that hiked it to 24-0. Csonka finished with his best-ever total of 145 yards on 33 carries. The Dolphins rushed for 703 yards and outscored opponents, 85-33, in the three-game playoff blitz. Csonka gained a Super Bowl record 145 yards and was named MVP.

1974 AFC PLAYOFF

Dream of 'Triple Crown' Shattered

Oakland, Dec. 21 — Oakland quarterback Ken Stabler, falling in the clutches of Vern Den Herder, unloaded a wobbly eight-yard pass that Clarence Davis wrested from three defenders in the end zone, and the Raiders scored a stunning 28-26 victory over the defending champion Dolphins.

Stabler, who had spent the last of his timeouts, appeared to have thrown an interception. But running back Davis clutched the football when bodies were untangled with 26 seconds remaining.

It was the fourth TD pass for lefthander Stabler and his second "freak" score. Four minutes earlier, Cliff Branch fell while catching a pass at the Dolphin 27, but defender Henry Stuckey also slipped, and Branch got up and escaped for a 72-yard TD.

The Dolphins, trailing by two points, went ahead with 2:08 remaining as rookie Benny Malone broke two tackles on a 23-yard touchdown run along the sideline.

1978 AFC "WILD-CARD" PLAYOFF

Oilers Jolt Earring Dolphins, 17-9

Miami, Dec. 24 — The Houston Oilers amassed a 455-209 margin in total yardage and, aided by five Dolphin turnovers, gained a 17-9 victory in a battle of AFC "wild-card" entries at the Orange Bowl.

Toni Fritsch kicked a 35-yard field goal with 7:25 remaining to snap a 7-7 tie that existed since the first quarter. An interception by linebacker Greg Bingham led to a clinching 50-yard touchdown drive capped by Earl Campbell's one-yard dive with 1:55 to go. Campbell, the NFL rushing leader with 1,450 yards as a rookie, had been checked for only 16 yards on 13 carries in the first half.

Dolphin quarterback Bob Griese, playing with very sore ribs, connected with tight end Andre Tillman for a 13-yard TD after Earnest Rhone had recovered a fumbled punt at the Houston 21. But Griese completed only 13 of 28 passes. Twice the Dolphins lost the ball inside the Oiler 10-yard line when the game was tied.

Houston's Dan Pastorini wore a flak jacket to protect three broken ribs, and he passed for 261 of his 306-yard total in the first half.

Steelers Blitz Dolphins in First Quarter

Pittsburgh, Dec. 30 — Launching a drive to their fourth Super Bowl title in six years, the Pittsburgh Steelers scored touchdowns on their first three possessions and coasted to a 34-14 victory at Three Rivers Stadium.

Miami managed only 25 yards rushing against the Steel Curtain and was stopped twice in the second quarter after achieving a first down inside the Steeler 10-yard line. The Dolphins got as close as 20-7 with a seven-yard TD pass from Bob Griese to Duriel Harris in the third period, but Pittsburgh responded with a 69-yard TD drive.

The Steelers marched 62, 62 and 56 yards for their first-quarter scores when quarterback Terry Bradshaw completed 8 of 10 passes including touchdowns to John Stallworth and Lynn Swann, who was standing alone in the end zone.

Don Strock directed a 13-play, 76-yard TD drive after relieving Griese in the fourth quarter.

1981 AFC PLAYOFF

Chargers Survive Dolphins' Comeback, 41-38

Miami, Jan. 2, 1982 — A record-setting showcase of the passing game resulted in NFL playoff marks for most points (79), most total yards (1,036) and most drama as the San Diego Chargers outlasted the Dolphins, 41-38, in overtime.

"The miracle that died" was the Miami Herald headline after the Dolphins rallied behind reserve quarterback Don Strock to overcome a 24-point deficit. Strock completed 29 of 43 passes for 403 yards and four touchdowns, spurring the Dolphins to a 38-31 lead. A 12-yard sweep by Tony Nathan on the first play of the fourth quarter put the Dolphins on top. But Chargers' quarterback Dan Fouts, who passed for an NFL-record 4,802 yards during the season, led an 82-yard drive capped by a 9-yard pass to James Brooks to tie the game with 58 seconds remaining. Five players had more than 100 yards in receptions topped by Chargers tight end Kellen Winslow with 13 catches for 166 yards.

Fouts, who finished with 433 yards on 33-of-53 marksmanship, hooked up with Charlie Joiner for 39 yards to the Dolphin 10-yard line. Rolf Benirschke then kicked a 29-yard field goal to end the struggle after 13:52 of overtime. Benirschke had missed a 27-yard attempt eight minutes earlier, and Miami's Uwe von Schamann had two attempts blocked—a 43-yarder on the last play of regulation and a 35-yarder after 11:27 of overtime.

It was the only game in NFL history in which two quarterbacks passed for more than 400 yards.

Woodley Keys Dolphin Revenge

Miami, Jan. 8, 1983 — For the first time in 9 years, the Miami Dolphins won a play-off game — defeating the New England Patriots 28-13. Dolphin QB David Woodley had one of his finest games, completing 16-of-19 passes for 246 yards and two TD's. He was a perfect 8-for-8 in the second half. The Dolphins, now 8-2 including this playoff game and winners of four straight, had not experienced a playoff win since January 13, 1974 when they downed Minnesota in Super Bowl VIII. The Dolphins took command in the second quarter gaining back-to-back TD drives of 76 and 79 yards that turned a 3-0 deficit into a 14-3 halftime advantage. The four Miami TD's came on a pair of two-yard passes from David Woodley to tight end Bruce Hardy, a one-yard run by Andra Franklin and Woody Bennett's two-yard burst up the middle. Franklin finished 112 yards on 26 carries, but lost the ball three times on fumbles. Two of those fumbles resulted in John Smith field goals of 23 and 43 yards.

1982 AFC PLAYOFF (Second Round) "Killer B's" Stymie Fouts and Co.

Miami, Jan. 16, 1983—The Dolphins, on their way to a five game victory roll, choked off the famed Charger offense and won 34-13. The Dolphin defense stopped the San Diego Chargers' offense with a total 247 yards — 203 yards below their league-leading average, while holding them scoreless in the second half. Dolphin defenders intercepted QB Dan Fouts five times, sacked him three times and held the Chargers to 15 completions for 191 yards — their lowest output since last January's playoff game in the ice at Cincinnati. The Dolphins' offense kept Fouts and Company on the sideline utilizing ball control that produced 80 plays to San Diego's 54 and an overwhelming time of possession advantage. The Dolphins had the ball for 40:45; the Chargers for 19:14. Dolphins' QB David Woodley guided his team to a 214-yard ground attack while connecting on 17-22 passes for 195 yards and two TD's. Woodley opened the scoring with a three-yard pass to Nat Moore in the first quarter, and made it 14-0 by directing Miami 89 yards on 13 plays. Chargers' kickoff returner Hank Bauer fumbled a kickoff which was recovered by Uwe von Schamann at the Chargers' 23-yard line. Seven plays later Woodley hit tight end Ronnie Lee on a six-yard look-in pass for the score. On the next kickoff, Dolphins' rookie Rich Diana recovered a fumble by the Charger's Brooks, but this time had to settle for a 29-yard Uwe von Schamann field goal. The Chargers scored two late TD's, one on a 28-yard pass to Charlie Joiner, and the other on Chuck Muncie's one-yard dive that ended the Chargers' scoring. Uwe von Schamann added a second field goal shortly before the end of the first half, and David Woodley scored a two-yard QB draw early in the fourth quarter.

1982 AFC CHAMPIONSHIP

Dolphin Defense, Rain White-Wash Jets

Miami, Jan. 23, 1983 — For the third time in as many games the Miami Dolphins defeated the New York Jets, this time on a rainy, mud-soaked Orange Bowl field. The Dolphins set an AFC Championship game record by holding the Jets to 139 total yards. A.J. Duhe set an AFC playoff record with three interceptions including one he returned for a 35-yard TD. The Dolphins set an NFL record by being the first team to have defeated the same team three times in a season — two times during regular season and once in a playoff. On nine occasions since the leagues' merger, teams have met three times in a season — but no team has won all three games. Before a crowd of 67,396, the Dolphins' Woody Bennett rumbled seven yards up the middle to score the only points the Dolphins would need. That came in the third quarter, after the teams had slogged through a scoreless first half on the soggy, prescription-athletic turf.

SUPER BOWL XVII

Redskins' Riggins Runs Past Miami

Pasadena, Jan. 30, 1983 — The Washington Redskins, behind the power running of John Riggins, came from behind to win Super Bowl XVII in the famed Rose Bowl. Before the second largest crowd for a Super Bowl — 103,667 fans — the Redskins took the lead for the first time with a little more than ten minutes left on the playing clock. The game was marked by a Super Bowl record performed by Fulton Walker, who returned four kickoffs 190 yards, including a 98-yard TD that gave Miami a 17-10 halftime lead. It was the first kickoff returned for a TD in Super Bowl history and the longest kickoff return in playoff history. Riggins ran up 166 yards on 38 runs, both Super Bowl records. On a short-yardage play — fourth and one from the Redskins' 43 with 10:01 to play — Riggins broke a tackle and scored on a 43-yard run. Riggins accounted for 181 total yards, five more than the entire Miami offense could manage in the game. In the first quarter, Miami jumped to a quick lead with a 76-yard Woodley to Cefalo pass for a TD. However, following Fulton Walker's 98-yard return, the Dolphins were limited to a 20-yard field goal.

PRESS INFORMATION

Certified newspaper, radio and television representatives should address all requests for working press credentials to:

Public Relations Director

Miami Dolphins, 4770 Biscayne Boulevard, Miami 33137

The Press Gate is located between Gates 9 and 10 on the south side of the Orange Bowl, and access to press parking is NW Third Street at 15th Avenue. Credentials are left with an attendant at the Press Gate two hours before kickoff. Requests for press parking should be made to the Stadium Manager's office at 305-579-6971.

On Level 5 of the pressbox are located the radio booth for the visiting team and the position for coaches' films.

ORANGE BOWL STADIUM

The Orange Bowl has a seating capacity of 75,195 but can be expanded to more than 80,000 seats for the Super Bowl with the addition of bleachers in the east end zone. Five of the first 13 Super Bowls were played in Miami.

Prescription Athletic Turf was installed in March 1976 to replace the Poly-Turf of the previous six seasons.

The stadium was a Works Progress Administration project built in 1937 for \$325,000 with a seating capacity of 25,000. Some 12,000 bleacher seats were added in 1945, and in 1948, double-decking of the north and south stands boosted capacity to 60,000. Some 7,500 seats were added in 1949 with the sale of \$50 non-interest bonds, and capacity reached 68,000 in 1953. The west end zone was decked in 1968 to attain 75,000 seats, and from 1971 through 1976, bleachers in the east end zone (removed in 1977) gave a capacity of 80,045.
